Discover & Go is the Contra Costa County Library system's ongoing partnership with Bay Area museums and cultural venues. The program offers free and low-cost passes to world-class venues to library cardholders 16 and older.

The Contra Costa County Library is partnering with the Food Bank of Contra Costa and Solano to collect food for those in need. For every donation of nonperishable food items patrons bring to a participating branch in October, they can enter to win prizes including premium awards for some of the Bay Area's most popular attractions. Enter drawings for some great prizes and help give back to the community at the same time.

And once again, the library is offering free BART tickets for use with Discover & Go reservations from October through December. County residents who are 18 or older can submit a request for BART tickets by clicking on the banner ad on their Discover & Go pass. BART tickets will be mailed to cardholders' homes within five business days of their request.

The offer is limited to one request per household (for a \$15 BART ticket) and is available while supplies last. This promotion is a partnership between 511 Contra Costa and the library and is intended to encourage the use of public transportation to visit museums. Visit ccclib.org for more information.
